

# KEYSTONE ACCELERATED TERM

In partnership with Keystone Insurers Group and Keystone Financial Services, EMC National Life is excited to offer a new term life insurance product developed specifically for KIG partners. Designed to address all your term insurance needs at face amounts of \$500,000 and below, the new product features:

- Great rates! As a Keystone exclusive product, our high quality agents and clients allow non-med rates that are very competitive with traditionally underwritten products.
- **Accelerated underwriting - no fluids or paramed necessary for approved applicants.**

## Product Highlights

- 5-30 year term periods
- All six underwriting classes eligible
- Two rate bands:
  - \$50,000 - \$249,999
  - \$250,000 - \$500,000
- Online-only rates and application
